Detail obsessive with a passion for colour & texture with the experience and confidence to take on large-scale / complicated sets as the main Set Dec lead. Excels at collaboration with the Costume, Graphics & Props teams. Member of the British Film Designers Guild (BFDG) & BAFTA.

Graduate in Design from Goldsmiths College with an excellent knowledge of design history and strong design skills; including visual research/referencing, mood-boards and a background in prop-making.

Previously employed as a freelance Visual Merchandiser for several years and with an additional background of over ten years spent sourcing / selling antiques in the UK and Europe. Any free time is spent travelling, collecting reference books & creating woven textiles.
