

TONI CHILD

PRODUCTION BUYER

PROFILE

Studied Design at Goldsmiths, specialising in conceptual research, with practical elements including: graphics, 3D design, textiles and also design history

Passionate about period props, having worked for over ten years in the antiques industry, with a wide ranging network of contacts & sources in the UK & Europe

Specialist at making something from nothing (aka junkyard aficionado & skip diver extraordinaire)

Obsessed with adding detail in dressing & creating narratives with objects
